

LIGHTING THE PATH TOWARDS A BRIGHTER FUTURE.

VISION OF SCHOOL

DCSN aims to serve the diverse academic, physical, social and emotional needs of our students. All aspects of our organization's curriculum and activities are child-centered, designed to assist individual learning styles to achieve success.

Our team seeks to enhance the quality of life of individuals with special needs and their families by:

- Promoting their independence, productivity, empowerment and social participation within the community
- Offering high quality, effective community-based programs and social support services to individuals and their families
- Encouraging the prevention of disabilities through training and public awareness
- Providing advocacy, inter-disciplinary training, technical assistance and sharing relevant information to meet the goals above

At DCSN we are a community of friends and commit to provide each student the key to a positive life, lighting the path to a brighter future.
